🌐 Personal Portfolio

SKILLS

- ❖ **MERN Stack (MongoDB, Express.js, React.js, Node.js)**
- ❖ **JAVA (DSA)**
- ❖ **Core CS Subjects: OOPs, DBMS, CN, OS**

EDUCATION

- ❖ SNDT College | BSc (IT) | May 2026
- ❖ SY CGPA: 7.45 (as of May 2025)
- ❖ SVT College of Home Science | HSC (XII) | 2023 — 61.33%

ACADEMIC PROJECTS

❖ StayEase – Rental Booking Platform

Built a full-stack rental platform with RESTful APIs, user auth, and backend logic.

Tech: MongoDB, Express.js, React.js, Node.js

Link: https://stayease-full-stack-mern-accommodation.onrender.com/

❖ Multilingual EJS Demo – Language Support App

Developed a multilingual web app with **Express.js**, **EJS**, and **i18n** supporting 6 languages (EN, HI, MR, GU, TA, BN). Implemented JSON-based locales for dynamic translation and improved accessibility for diverse users.

Tech: Node.js, Express.js, EJS, i18n

Link: https://github.com/Zoya-Sk/multilingual-node-ejs

❖ ChatConnect – Real-Time Messaging App

A basic real-time messaging app with user login, sender/receiver support, and message timestamps.

Tech: Express.js, Socket.io, MongoDB, Mongoose, EJS

EXPERIENCE

❖ MERN Stack TA Internship (Remote)

Stealth EdTech | July 2025 – Present

- Assisting learners as a Teaching Assistant with MERN stack doubts and debugging via Discord.

ACHIEVEMENTS / HOBBIES

- Completed *Web Development Course* from Apna College
- Built and deployed 3+ full-stack web development projects using the MERN stack.

Hobbies:

- Exploring and learning new things across different fields
- Developing interactive web apps and improving coding skills
